

# RULES OF PLAY

**Children must be accompanied by an adult** responsible for their well-being and behaviour at all times. Windmill Farm Park and its staff do not accept any responsibility for supervising children.

We design our play areas for children under 1.45m in height; **adults choose to play at their own risk.**

Always **wash your hands** with soap and water before entering the play area.

**No food or drink** is allowed on the play area.

Please remove your shoes before entering the play areas. You must **wear socks on the indoor play**; they can be purchased from reception if required.

We understand that siblings may want to play together, so we encourage adults to **keep our Little Bunnies' area safe and quiet for our younger visitors.** We reserve the right to enforce a height restriction during busier times.

You can enjoy a picnic at one of our undercover outdoor areas. However the **play barn is only for food purchased from our cafe.** We cater to most allergy and sensory issues, but please ask a staff member for help.

**You should wear appropriate clothing at all times.** Long-sleeved tops and trousers are recommended, especially on the slides. Jewellery, badges or clothes with cord/rope are not safe to wear in the play area.

We will **not tolerate fighting, bullying or vandalism.**

**Use the play area as intended.** Do not climb on or up the slides, netted walls or structure. Do not play directly in front of slides.

**Report any incidents of bodily fluids** to a staff member as soon as possible for safe disinfecting and cleaning.

**Report any accidents or injuries** to a staff member so we can assist and minimise the potential of a reoccurrence. These will be logged and are essential to our ongoing commitment to providing safe play.

**Report any damages** to a staff member.

**Report any behavioural concerns** to a staff member; do not intervene yourself.

**Unwell children should not use the play area;** this includes those who have had diarrhoea or vomiting in the last 48 hours.

*We reserve the right to ask anyone who is not following these rules to leave the play barn.*
